### JOIN US!

## Celebrate National Clean Energy Action Month with Sportsmen's, Resonant Energy, and Sunwealth as we:

- Highlight how our new solar array will power more than 70% of Sportsmen's electricity usage, and provide community offtakers with low-cost electricity credits, including three homeless shelters.
- Hear from partners, elected officials, and community leaders about the impact of solar on Boston families and neighborhoods
- Cut the ribbon for our new rooftop solar installation

### Learn about our Impact

- Generating clean energy to power our community
- Supporting local shelters with solar credits
- Reducing greenhouse gas emissions and building a more sustainable Boston
